REQUEST FOR CORRECTED NOTICE OF ALLOWANCE

Sir/Madam:

We acknowledge receipt of the Notice of Allowance dated October 1, 2009 responsive to the Amendment filed June 11, 2009 for the above-identified application. However, claims 31 and 32 which were newly introduced in the Amendment filed June 11, 2009 (p. 10) are not included among the allowed claims on the Notice of Allowability. Applicant requests claims 31 and 32 be listed among the allowed claims.

In addition, the title of the invention does not match the amended title as indicated in the Amendment filed on December 22, 2008. Presumably, the amended title was approved by the Examiner since no further objections were made to the

specification. Applicant requests the title of the invention be corrected to read, "Wireless Packet Communication Method and Apparatus."

Accordingly, please correct your records and issue a corrected Notice of Allowance or such other communication confirming that the necessary changes will be reflected in the issued patent.

Respectfully submitted,

Dated: October 13, 2009
